Yearbook Dedicatee

Charlene Gile,

has been teaching here at WHS for a long time now, and some may say she's one of the best. She certainly has a definite way of encouraging kids to do their best, and always succeed. Mrs. Gile is head of our English department, and is always striving to make the department better than it is. She is always willing to help with any other extracurricular activities. Mrs. Gile is a great addition to Winslow High School, and we cannot wait to see what the rest of her years bring .

Homecoming Dedicatee

RON HAIRRELL

Our first dedicatee has long been a supporter of WHS sports. He especially enjoys basketball, softball, and baseball. He and his wife have had reserved seats in the Petranovich gym from the time it first opened. Ron designed and purchased the "Bulldog Country" banner that hangs in the gym. Ron and his wife, Carol, follow Bulldog basketball, both boys and girls, to regional and state tournaments.

For many past years, Ron generously gave his time and efforts to help classes build their floats for homecoming, providing a safe place for the floats to be built as well as pulling floats for the homecoming parade. Most recently, he pulled a trailer full of football boys in the parade.

Ron and Joe Benham set the "batter's eye" at Vargas Field, and years ago, Ron donated and poured the concrete at the Little League field. With the help of Mike Cunningham and Bud Kolomitz, Ron built the dugouts at the Little League which are still in use today.

Ron was a sponsor for the old 3-A East baseball tournaments, and helped the baseball club by donating Diamondback tickets for their fundraisers.

Ron is a quiet man and wants no accolades for his accomplishments. He just enjoys watching the kids and their growth and achievements.

Homecoming Dedicate

Our next Dedicatee moved to Winslow when he was in the first grade when his father purchased a trading post. Don and his brothers spent many days herding sheep and tamping wool. When he wasn't helping at trading post, he and his brothers were playing baseball.

In high school, Don played football, baseball and wrestled. He also was a member of the Key Club. After graduation, Don spent the summer working as a horse wrangler at a Dude ranch and then went to NAU for a year. He then drove a Coca Cola delivery truck for just over year.

Feeling God was calling him to be a teacher, Don went to Grand Canyon College and received a teaching degree in History. While in Phoenix, he met and married his wife Charlotte.

In 1978 Don and his wife moved to Winslow so he could teach for this Alma-Mater. Don has taught in all subject areas of history as well as Psychology and Economics.

Don has coached freshman baseball and JV football, but his favorite was wrestling, which he coached for twenty years. He was head coach during the last 8 years of coaching. In 2000 he was asked to coach Junior High wrestling where he coached for another 5 years.

Don has always been willing to share his class room with clubs and organization like the speech team and also worked with Big Brothers Big Sisters.

Don has a great sense of humor. When teaching at Old Main, his students tell the story that during quite time, Don would find the squeaky floor boards and rock back and forth until someone would say something. His jokes are often re-told in his classes. His running line, he uses with the Native American students when they learn he can understand and speak some Navajo, HE IS 1/3 NAVAJO.
In his spare time Don enjoys fishing, hunting, camping and traveling to new places, especially ones that have a historical meaning and allows him to bring something new into his classroom.

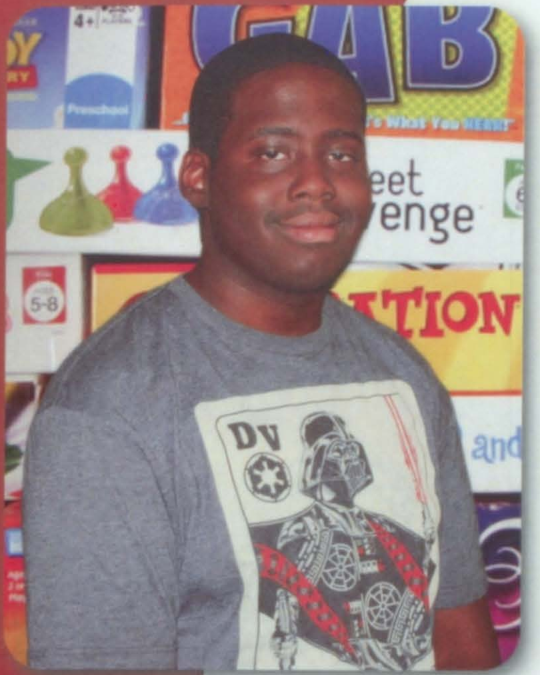

Don is a devoted Christian and centers his life on Christ, his family and students. He has two children, Jennifer Repak and Jonathan Baker, and three grandchildren, Harrison, Kennedy and McKinnley.

This year marks 37 years of teaching at Winslow High School

To our Jordan,
As we think of the past, our years with you in our lives can't be measured in just love. You have brought us joy from your very first, cranky breath. Each year has found another level of our love and admiration. You have always made us laugh, especially when you would let Brennan irritate you so much. Your devotion to family, friends, and community is so deep. When we try to think of just one thing that we admire most--we can't. Everything you do is important to all. Your next year step after graduation is college and sometimes we don't know how we can let you go so far away. But of course we will let you spread your beautiful wings and soar! Just know that we will miss you stopping by to take a short nap on our couch, we will miss taking you lunch, and we will miss your telling of how your day has been. Take baby steps and conquer the world! And know how much you are loved.
Love, Grandma and Pa

For the past 14 years I have seen you do many things. I will always look up to my big sister because I know she will go on and do great things in the world.
Love, Brennan

We are incredibly proud of you and all the joy you have given us the past 17 years. Since the moment we laid our eyes on you we knew you would be special and we would love you forever. You have grown from a shy, quiet, little girl to and outgoing, strong, independent, beautiful, young lady. Your future is extremely bright and we can't wait to see you shine. You have accomplished so much at WHS. It is now time to choose a path and to start leaving footprints on the world. You will always have our love and support.
We love you, Mom and Dad.

Hey Chaach!

It's great to see how far you've come from your first day of high school to graduation day. We have created lots of memories growing up , but I think HS was my favorite out of them all. I always told myself I would win a "State Championship" ring before you, (haha), But look who got one first! It was AWESOME to see you grind out along side me in the weight room and on the court. I would do it all over again with you . No matter what, I will always be right behind you, pushing you harder and I will be there to catch you when you fall. I LOVE YOU SWEETS!

Love, Your Older Brother Jesi

SWEET LADY

The Soroptismt Club would like to recognize the 2015 Live Your Dream award recipient, Sabrina Chavez, the Violet Richardson recipient, , and the S-Club seniors, .

Congratulations to the Class of 2015!

The final of my four years in Graphic Design has definitely been memorable one! Becoming Senior Yearbook Editor, being Senior Class President, and just being a senior really puts a lot on your plate. But I wouldn't change it for anything. Working on this yearbook and co-editing with Tayzer has been a great experience! To the students of WHS: thanks for being awesome! Working on the yearbook for four years really gives you a bird's eye view on the changes we've all made, and trust me, we've made a lot of them! To the Staff: Thank you for being even more awesome, I know you all do way more work for this school than we even know. I'll miss this place for sure, it's been a fun ride.

Rudi Ward II

I have to agree with Rudi. This has definitely been an experience! I've Learned alot being in this class,. everything from the importance of time management and even what makes a good page just work. I look forward to next year, I'll charge in head first with all the knowledge I've garnered along the way. A shout out to Mrs.Long for puttingup with both me and Rudi! and all of my classmates for walking down the path with me. See you all next year!
